

Sensitization of students and employees of the institution to constitutional obligations: values, rights, duties and responsibilities of citizens:

Vishnu institute of technology always believe in giving all round education to the students by sensitizing students on constitutional rights, values, duties and responsibilities as a part of education given at the institute through various means.

Sensitization of students and employees of the Institution is done through curriculum as well as through extra-curricular activities. Topics which sensitize the students about the values, rights, duties and responsibilities of citizens are explained through subjects like constitution of India, professional ethics and human values. In the subject “constitution of India” the students learn about constitutional rights, duties & Responsibilities of citizens to be followed are covered. Professional ethics and human values is made as a Mandatory subject to all the branches of engineering and Technology Programs. It is also made mandatory for students take a course on Environment studies in their first year which gives them insight into environment acts, wildlife protection act, forest act, global environmental concerns etc.

Our institute also conducts seminars and workshops on days of national importance as a part of awareness to the students and faculty. NSS unit of the institution conducts activities which are prescribed by government of India in the college campus as well as in the nearby village area.
