

Introduction

The workshop on Industry-Academia Practices in Civil Engineering is an interactive session that brings together industry experts, students, and research scholars to explore the vital intersection of academia and practice in civil engineering construction. This unique event offers a platform for sharing insights, discussing current trends, and fostering collaboration between the next generation of engineers and seasoned professionals.

In today's rapidly evolving construction landscape, understanding industry practices is crucial for academic success and professional growth. Our session will cover innovative technologies, sustainable practices, and real-world challenges faced in the field. Attendees will have the opportunity to engage in discussions, ask questions, and gain invaluable knowledge that can shape their future careers.

Objectives

The Objectives of the program are

- Create a platform for meaningful interactions between industry professionals and academia to enhance knowledge exchange
- Help students and scholars understand how theoretical concepts apply in real-world scenarios within the construction industry.
- Facilitate connections between students, research scholars, and industry experts to promote future collaborations and career opportunities.
- Identify and discuss key challenges faced by the civil engineering sector and potential solutions that can be explored through academic research.

Who can attend?

Faculty members, Research scholars, UG& PG Scholars of the AICTE-approved institutions and Industry Personnel.

Chief Patrons

Shri K.V Vishnu Raju, Chairman, SVES
Shri R Ravi Chandran, Vice Chairman, SVES
Shri K Aditya Vissam, Secretary, SVES

Patron

Dr. M. Venu, Principal, VITB (A)

Co-Patron

Prof. M. Srilakshmi, Vice-Principal, VITB (A)

Convenor

Dr. Kunamineni Vijay, Assoc. Prof.&HoD, Dept. of CE

Co-ordinator

Mr.V.V.S.Sarma, Asst. Prof. Dept. of CE

Mr.K.S.SAI KUMAR, Asst. Prof. Dept. of CE

Mr.Sk.Subhan Alisha, Asst. Prof., Dept. of CE

How to Register for Workshop ?

Eligible candidates have to register through the following link on or before 29th November 2024.

REGISTER NOW

<https://forms.gle/X6eHoJGqLhcwEG3XA>

UG / PG Students / Research Scholars : Rs.1000/-
Faculty / Industry Professionals : Rs.1500/-
Accommodation for 6 days : Rs.3000/-

Last date for registration
29th November 2024

A ONE WEEK WORKSHOP ON

INDUSTRY-ACADEMIA

PRACTICES IN CIVIL ENGINEERING

09 - 14th DECEMBER 2024

In Association With

VISHNU INSTITUTE OF TECHNOLOGY
(Autonomous)

ORGANIZED BY

**DEPARTMENT OF
CIVIL ENGINEERING**

www.vishnu.edu.in

About the College

Vishnu Institute of Technology was established in 2008 by Sri Vishnu Educational Society (SVES), a leading educational trust to promote quality education, under the aegis of eminent philanthropist Padma Bhushan Dr. B.V. Raju (Late). The institute is approved by AICTE and is permanently affiliated to JNTUK, Kakinada. Over a decade, this institute has witnessed significant growth and stands out as one of the best engineering colleges in AP. This institute is accredited by NAAC twice with 'A++' grade (3.51/4) with its validity up to 2024. The institute has attained autonomous status for 10 years from the year 2019. Indian Merchant's Chamber (IMC) recognized the services of VITB with its Ramakrishna Bajaj National Quality award in education sector (2010, 2011, 2017) and Asia Pacific Quality Organization (APQO)-Best in class Award (2012, 2018).

About the Department

The Department of Civil Engineering pulls out all stops to create outstanding engineers - with advanced teaching techniques and learning aids for undergraduate students. Civil engineering department of the institute started functioning in the year 2011. Students gain practical experience from field visits to industries, dams, and irrigation structures, construction sites, etc. Our teaching-learning process involves industry experts and adjunct faculties to enhance the student's knowledge and also targets to bridge the gap that exists between academic curriculum and industrial demands. Students are motivated to take up research projects, to carry out regular industrial and field visits, to present papers in academic conferences which will enable them to excel in their selected career. Students are not only made experts in technical aspects but also in interpersonal skills, a vital ingredient to excel in the fast-paced world.

Resource Persons

Faculty from reputed technical Institutions and Experienced Engineers from Industry are the resource persons for the programme and will deliver the lectures.

Mr. Janardhan Arunachalam

AGM - Technical Services, Sagar Cements

Ms. A.Kavya

Technical Manager, UltraTech Cements

Dr. M.Teja

Technical Manager, Gayathri Associates

Mr. Pavan Patchigolla

Founder, Possibuild Building Technologies

Mr. B.Bharath Kumar

Managing Director, Padma Priya Infra

Mr. P.Kishore

Zonal Manager, JINDAL PANTHER

Mr. Narasimha Reddy

Managing Director, Veera RMC India Pvt.Ltd

Mr. Srinivasa Reddy

Vice President -T&M, Anjani Tek Tiles

Mr. Nagaraj Kumar V Bommakanti

CEO, STRESZA SYSTEMS GLOBAL TECH PVT LTD

Mr. R Vijaya Raghavan

GM & BU HEAD, UCON PT Structural (S) Pvt.Ltd.

Mr. V.Ramaraju

Retd.Professor- Consultancy works

Important Dates

Last date for registration
29th November 2024

REGISTER NOW

Certification:

Certificate will be provided by the institute to those who have attendance more than 80%, based on the feedback form filled daily.

Address for Correspondence
